Dear Member, GrowOrganic and other Sales

It is time to order GrowOrganic – the 100% organic fertiliser for lawns, roses, flowers, vegetables, fruit and shrubs which also conditions soil, helps to break clay and can be used as a compost accelerator. We are also able to obtain a selection of other reasonably priced gardening items.

Attached is the order form which you can print off, complete, and bring, **with payment (preferably cheque)**, to the Coffee Morning on the **2nd of February**. Alternatively order forms can be delivered to me at the above address. The **absolute last day** for orders is **Friday 8th March**, but preferably by the **Spring Talk on Saturday 2nd March**, as there is the time consuming task of coordinating all the orders prior to placing the bulk order with LS Systems (Formerly Alty's). Cheques should be made payable to **Over Kellet and District Horticultural Society**. If you have a problem printing off the form please contact Geoff Jackson (Tel. 736103) and he will supply you with a hard copy.

Provisional date for delivery to members who live within the village will be on: **Saturday 23rd March 2018**. Members who live outside the immediate village or in other villages, may collect their orders on **the same day between 10am and 11am from 1 Windergarth, Over Kellet (off Kirkby Lonsdale Road)**.

If you have any queries, or requests for any other collection arrangements, please contact me by phone or e-mail. If I am not available, please try Geoff Jackson (Tel: 736103) instead.

Offers of strong help for about two hours' delivering on the morning of Saturday 23rd March would be most welcome. Please contact me at the above address if you are able to assist.

PLEASE DONT FORGET TO ENTER YOUR ADDRESS AND TO SAY WHETHER YOU REQUIRE DELIVERY OR WILL COLLECT

Regards
Phil Hegarty
